First Commerce Credit Union launches MyWay Scholarship Program

MyWay members age 18-29 eligible to apply for \$1,000 scholarships

Application deadline is April 8

At First Commerce, we are always looking for ways to help ensure bright financial futures. Now, we are taking our efforts to the next level with our **MyWay Scholarship program!**

MyWay is First Commerce's national award-winning program for 18-29 year olds finding their way. This program includes a free checking account with tools to help MyWay members stay on top of their finances, an award-winning automatic savings account that rounds up debit card purchases to the next dollar amount and deposits the difference, as well as a focus on financial education.

Twice a year, MyWay members will have the opportunity to apply for one of two \$1,000 MyWay Scholarships, which will be awarded for demonstrating excellence in school and beyond. Scholarships will be paid directly to the student's institution of higher learning and may be used toward school expenses including tuition, fees, and books.

Anyone who is a First Commerce MyWay account holder by April 1, 2016, is eligible to apply for our first round of scholarships. Candidates can simply fill out the application posted along with details about the program at **FirstCommerceCU.org/MyWayScholarship**, and submit a short essay or video. The spring deadline is **Friday, April 8, 2016** (no exceptions) for funding in the upcoming summer or fall 2016 semester.

First Commerce realizes The Power of You and is proud to help ensure bright financial futures, one person at a time!
